CD Writer Backup System Order Form

Have you outgrown your Diskette backup system? Perhaps it's time to move to a CD Writer Backup System. CBS has finished work on the perfect solution. You can click one icon and easily start your backup to CD. The system works with all CD Writers and DVD Writers and works with CD ROM or CDRW discs.

This software is now available on CD for just \$45.00. You can save \$10 if you download the software from our web site. Not sure CD Backup is for you? Just go to our web site and download the demo version of the software. **Web Address: www.saskcbs.com**
